^(*) Banking Regulation and Supervision Agency considered that the income amount associated with deferred tax assets cannot qualify as cash or internal funds, and that therefore, the portion of the net profit for the period stemming from the said assets must not be subjected to profit distribution or capital increase. Hence, deferred tax income in the amount of TL 7,029 thousand included in the Company's consolidated net profit for the period is included within TL 54,627 thousand, which is set aside as extraordinary reserves.
